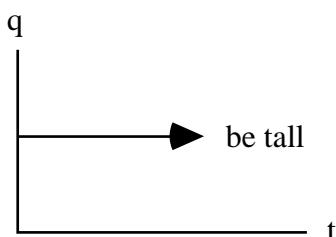

Figure 15. Three kinds of states

Transitory state
The window is open.

Inherent state
She's tall.

Point state
It's 5:00/The train is on time.

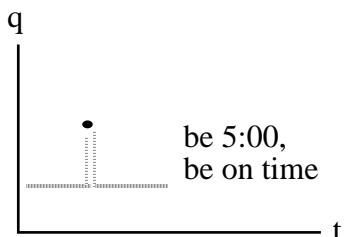

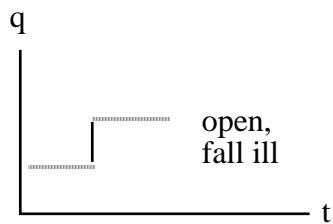

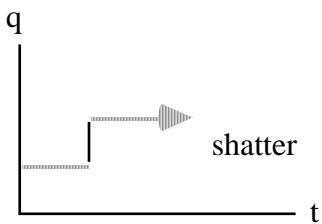

Figure 16. Three kinds of achievements

Reversible achievement
The door opened/I fell ill.

Irreversible achievement
The window shattered.

Cyclic achievement
The lighthouse flashed once.

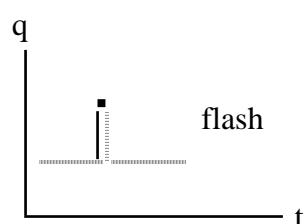

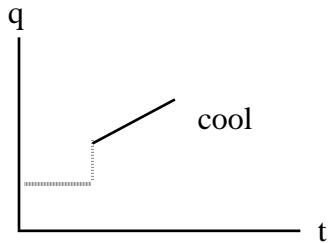

Figure 17. Two kinds of activities

Directed activity
The soup is cooling.

Undirected activity
She's dancing.

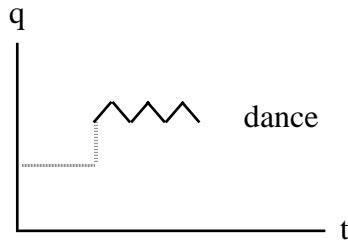

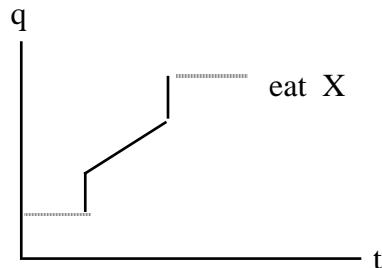

Figure 18. Two kinds of performances

Accomplishment
I ate the whole thing.

Runup achievement
Help! He's dying!
